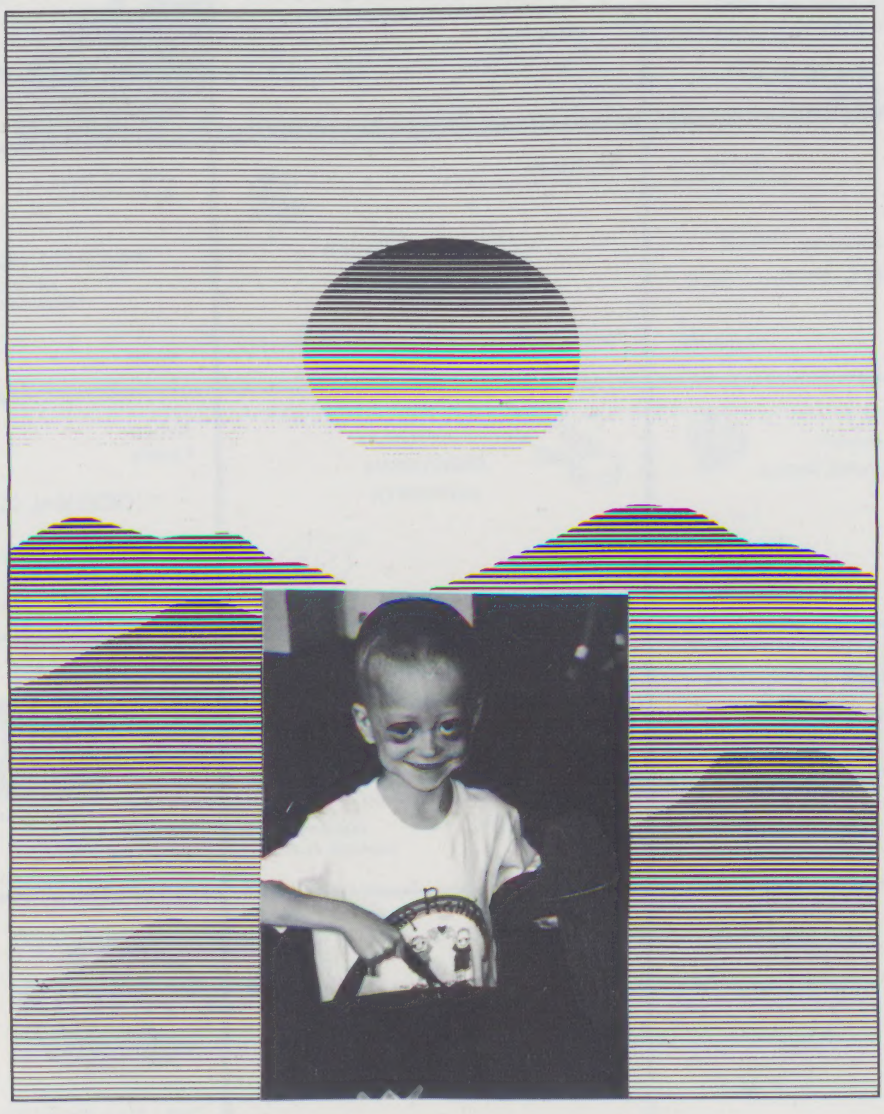
In Memory



03/15/87 JOSEPH TROUT 06/29/93

Joseph Trout was a member of Ms. Blackwell and Mrs. Godbee's 1992-1993 Kindergarten class. He died one month after his Kindergarten Graduation. He was only six years old.
Joe was diagnosed with bone marrow cancer only two days before his fourth birthday. He is sadly missed by his family, friends, teachers, and classmates at Floyd Graham.
Joe was taught at home as a "Homebound Student", but he loved to go on our field trips. His favorite trip was our ride on the "Princess Augusta" riverboat. On the way, he noticed Crepe Myrtle trees in bloom and asked what they were called. When I said, "Crepe Myrtle trees", he burst out laughing and said, "That's a silly name--they should just call them "flower trees." In Joe's memory, his classmates planted a "flower tree" in his backyard. Whenever I see a Crepe Myrtle in bloom, I hear Joe laughing and saying, "That's a silly name--they should just call them flower trees!"

In loving memory, Carolyn Blackwell
